Keep the Lights On Afterschool!

Celebrate **Lights On Afterschool on Oct. 17, 2013!**

Each October, 1 million Americans and thousands of communities nationwide celebrate *Lights On Afterschool* to shine a light on the afterschool programs that keep kids safe, inspire them to learn and help working families.

In communities today, 15.1 million children take care of themselves after the school day ends. Afterschool programs keep children safe, help working families and inspire learning. Join us, along with 7,500+ afterschool programs nationwide, in celebrating our afterschool programs.
