

<p>LSDC Health & Safety Plan as of 9/7/21 updated</p>	
<p>A. Universal and correct wearing of masks;</p>	<p>The Governor’s Universal Masking Order was reinstated EFFECTIVE 9/7/21. As of that date, masks are REQUIRED indoors while in all LifeSpan programs or participating in indoor sponsored events, except as required by law or regulation. County rates will be reviewed and local school district plans to decide by county implementation.</p>
<p>B. Modifying facilities to allow for physical distancing (e.g., use of cohorts)</p>	<ul style="list-style-type: none"> ● Classroom configurations will promote learning and maximize distancing where feasible. ● Students will be taken outdoors when feasible ● Building meetings, full administrative team meetings, and professional development activities will occur in person unless designated as virtual by the meeting coordinator.
<p>C. Handwashing and respiratory etiquette;</p>	<ul style="list-style-type: none"> ● General hand hygiene will be practiced throughout the day to minimize spread through use of common items. ● Proper hand washing technique signs will be posted in all bathrooms and sinks
<p>D. Cleaning and maintaining healthy facilities, including improving ventilation;</p>	<ul style="list-style-type: none"> ● All high-touch surfaces cleaned/disinfected by custodial crew regularly (water fountains, door handles, desks, light switches, etc.) following posted EPA/CDC/manufacture guidelines. ● Clean desks/tables on a frequent basis (soap and water for students/cleaning solution for faculty/staff). ● Students and staff should sanitize/wash hands on a frequent basis. (Make hand sanitizer available in common areas, hallways, and/or in classrooms where sinks for handwashing are not available). ● Outdoor equipment will be cleaned regularly. ● Water fountains may remain disconnected and faculty/staff and students are encouraged to bring water bottles from home and use filling stations. ● Ventilate all classrooms and common areas when available/possible using windows. Doors and windows will be open to the extent feasible while maintaining perimeter security. If AC is running - doors and windows will be closed. Exterior doors will remain locked. Systems will be set to provide frequent air exchange.
<p>E. Contact tracing in combination with isolation</p>	<ul style="list-style-type: none"> ● Use strategies similar to those used with

and quarantine, in collaboration with the State and local health departments;	influenza, other infectious diseases in the event of a confirmed case of COVID 19. ● Students and employees are encouraged to report positive cases of COVID 19 to their Director, similar to reporting for other communicable diseases. ● Consult with the local County Health Department/OCDEL licensing inspector on decisions impacting the closure of classrooms, schools, or the district. ● Although the flu vaccine and COVID vaccine are not required for school attendance or employment, it is highly encouraged for all students and staff to get the flu vaccine and COVID vaccine.
F. Diagnostic and screening testing;	● Educate all stakeholders (students, staff, parents/guardians) on the signs and symptoms of COVID-19 at home before sending children to school and/or reporting to work. ● The nurse or designated employee will evaluate any individual who presents with symptoms. ● LSDC front office team tracking system currently in place for students will be used to monitor symptoms/exposure history for all employees including the tracking of vaccinations. ● Emergency contacts must be up to date. A symptomatic student must be picked up within an hour.
G. Efforts to provide vaccinations to school communities;	● Continue to work with health providers to provide opportunities for staff to receive vaccinations ● LSDC communication vehicles including Facebook, Procare and Himama and building newsletters will be used to distribute information regarding vaccination clinics and designated hours.
H. Appropriate accommodations for students with disabilities with respect to health and safety policies;	● Directors will work to develop a student-specific education plan for students with complex needs. ● LSDC will also collaborate with the local IU and other education providers to coordinate plans for students with complex needs.
I. Coordination with state and local health officials.	Regular communication will continue with the local County Department of Health regarding potential implementation of any updated guidance from the CDC and other health officials.

Health and Safety Plan Governing Body Affirmation Statement:

The Board of Directors for Lifespan received this Health and Safety Plan on September 7 , 2021, and will confirm their approval of this plan at their next board meeting on September

2021. This plan, pending approval, will be submitted to PDE per their instructions for licensed programs. By: Nicole Fetherman, Executive Director
