February 26th

Philadelphia Union Family Night

We hope our families have a FABULOUS February filled with lots of love, joy, and of course learning!

We love seeing all the things the children love about school on the hearts at the front office. If you would like, please stop by the front office and pick up a heart to decorate for our window! We are happy to announce we are taking part in a special event for Family Night with Philadelphia Union. If you would like to attend and purchase tickets please see flyer posted at the kiosks for the ordering link.

February brings more snow, frost, and ice. Looking for some fun activities to do as a family in the snow? Try one of these:

- Make Snow Ice Cream
- Erupt a Snow Volcano
- Blow Frozen Bubbles
- Make a Snow Lantern

These ideas and more are available at the following link:

<https://indyschild.com/17-fun-snow-activities-you-can-do-with-kids/>

Please be sure to check with your child's teacher regarding class lists for Valentines and party sign ups.
