Happy Memorial Day!
LIFESPAN IS CLOSED

Spring is bringing lots of fun learning experiences our way. Our Preschool and Pre-K classrooms are getting ready to watch the life cycle of the butterfly first hand in their very own Butterfly Houses. The school as a whole is gearing up to get our outdoor garden area ready for new growth and exploring the process of composting. We have added a large compost bin to our outside garden area as well as mini observation bins to the classrooms to observe the process.

We have lots to celebrate this month as well. We would like to send the highest appreciation out to all of our teachers here at LifeSpan and the incredible work they do with the children each day. We also would like to wish all the Moms, stepmoms, grandmoms, and aunts a very HAPPY MOTHER'S DAY! We will have a special activity for our special ladies in the afternoon if you wish to plant a seed together. This event will be 3pm-5:30 on our back pavilion on May 6th. Feel free to take a special treat with you on your way out.

More celebrations are on the way for June for our Pre-K Counts and Kindergarten Graduation Ceremonies. We are so proud of our little graduates and look forward to celebrating the special day with you! Pre-K Counts Graduation will be on Thursday, June 9th at 11 am and Kindergarten Graduation will be on Friday, June 10th at 11am.

We would like to welcome our New Families here at LifeSpan!
