October 31st

TRUNK OR TREAT EVENT -Wear your costume!

A warm welcome to our new families joining us here at LifeSpan this month!

October is here! That means exploring pumpkins, spooky things, and diving deep into FALL FUN. The month kicks off with Fall Picture Days on October 3rd and 4th. Be sure to arrive dressed to capture the perfect moment. Don't forget your smile at home!

October also brings HALLOWEEN! Keep your eyes peeled for the classroom Halloween Party sign up lists by the Family Communication Boards in your child's classroom. We will also be hosting a Halloween Trunk or Treat Event. Families that volunteer to take part in our trunk or treat celebration will sign up at the front desk. Families volunteering for this event should arrive at 2:00 to be parked in place to hand out a special treat as our classrooms parade through the event from 2:30-4pm. Feel free to decorate your trunk as creative as you wish! Families if you are picking your child up as they are parading around the event, be sure to clock your child out and say good-bye to your child's teacher before exiting.

As the weather gets chillier, colds and germs are on the rise. Parents please feel free to wash hands when entering a classroom space and encourage your little one to wash their hands as they start their day with us! The classrooms will be practicing using our "cough covers" to sneeze and cough into our elbows followed by washing our hands.
