Other Information

~ Don't forget to check out our LifeSpan Facebook page and website.

~ What information would you like to see on the newsletter? Let me know at kparis@lq.org

~ As it is getting colder outside, please be sure to bring your child weather appropriate clothing ie: jackets, hats, gloves. Our policy is to take the children outside between the real feel temperatures of 25 and 90 degrees. Please label all your children's belongings.

~ If you have not already done so, please make sure your child's extra clothing is the right size and for the right season. These also should be labeled.

~ Attached are some Acts of Kindness to complete as a family. How many are you able to complete?? We would love to see some pictures of the some of the challenges you complete. Email them to me at kparis@lq.org **if you there is an option that does not work for you and your family, you can come up with your own. These are only suggestions :-)**
