We are so excited to share a fun-filled week celebrating young children, their teachers, and their families here at LifeSpan as we start the month of April off with The Week of the Young Child. Each day we will have collaborative activities that encourage movement and healthy lifestyles through music, art, food, and family.

Scholastic Book Fair is heading to LifeSpan from Monday, April 15<sup>th</sup> until the morning of Friday, April 19<sup>th</sup>. Families will be able to shop through a variety of books that are board books through grade 2 readers. Accepted forms of payment will be cash or card. Please know that if paying with cash we will not have change available.

Please take a moment to look over our resource for our Safety Topic of the month on our parent communication boards, Mental Health Awareness in children and young adolescents, to learn the warning signs and treatment options.

Spring Picture Days are currently being scheduled for May 5<sup>th</sup> and 6<sup>th</sup>. All of the children will have the option of a spring background. Our Pre-K, Pre-K Counts, and Kindergarten Friends will have the option of getting their photo taken with cap and gown as well. Keep an eye out for more information coming soon!
